

Killing Coyote

a High Plains Film

**World Premier - June 23-29, 2000
Crystal Theater/Missoula, Montana
5 P.M. Screenings Only**

It is estimated that 400,000 coyotes
are trapped, shot, and poisoned
in America every year.
Many are killed using your tax dollars.
Many others are killed
for fun, cash and prizes.
Still, they continue to thrive.
